

IAC-INDOOR AIR CARE:

THE BENEFITS OF AIR DUCT CLEANING

5 REASONS TO GET YOUR DUCTS CLEANED

CLEANER AIR TO BREATHE

YUCK! DON'T BREATHE DIRTY IN AIR

Having your air ducts cleaned removes the dirty pollutants circulating throughout your home or office.

REDUCES ALLERGIES & ILLNESS

STOP IT BEFORE IT GETS TO YOU!

Dirty air ducts contain harmful contaminants and micro-organisms such as mold, mildew, and dust. Cleaning your ducts will remove the threat of any allergies and illness caused from breathing them in.

SAVES & MAXIMIZES ENERGY

KEEP YOUR APPLIANCES RUNNING SMOOTHLY

As contaminants accumulate inside your air ducts, the HVAC units begin to experience wear-and-tear, increasing costs and decreasing efficiency.

HELPS EVERYONE BREATHE!

LESS POLLUTION, CLEANER AIR

With clean air ducts, people inside your home or office can finally breathe again!

REMOVES UNPLEASANT ODORS

GET THE STINK OUT OF THE ROOM!

A detailed air duct cleaning removes all odor trapping particles, resulting in a fresher smelling home or office.
